Position Title: Graphic Design Intern

Salary: Unpaid

**What You Will Do:** Graphic Design Interns will work in a forward-thinking environment to build the layout, design, style, and “look and feel” of our web-based applications, websites, and print media. While gaining true hands-on experience working as part of the Technology Consulting team, you will engage in every aspect of print and web design. Responsibilities can include digital image creation, digital photography, and logo and headline design. *This is not a filing and copying internship.*

This is for focused individuals **with previous graphics skills** desiring significant real-world experience in a concentrated period of time.

---

**Who We Are:** Retensa is a leader and innovator of Employee Retention Strategies and Workforce Technology. Firms come to Retensa to develop, motivate, and retain their employees. We help them create great places to work using on-line communication software.

**What We Believe:** Retensa views internships as a way to enhance your career and personal growth while we tap into emerging talent. As an intern with us, you will be at the forefront of Management Consulting, On-line Technology, and Organizational Development.
