

## WEB TECHNOLOGY INTERNSHIP: NEW YORK CITY

**Company Name:** Retensa Retention Experts

**WWW Address:** [www.retensa.com](http://www.retensa.com)

**Department/Division:** Technology, IT

**Contact:** Recruiter

**E-mail:** [careers@retensa.com](mailto:careers@retensa.com)

**Company Description:** Retensa is a leader and innovator of Employee Retention Strategies and Workforce Technology. Firms come to Retensa to develop, motivate, and retain their employees. We help them create great places to work using on-line communication software.

Retensa views internships as a way to enhance your career and personal growth while we tap into emerging talent. As an intern with us, you will be at the forefront of merging Management Consulting, Technology, and Organizational Development into business solutions.

---

**Position Title:** Web Technology Intern

**Salary:** Unpaid

**Position Description:** Web Technology Interns will work in a fast-paced and forward-thinking environment to assist in the design, architecture, and deployment of on-line applications, new websites and Web-based programs. While gaining true hands-on experience, you will engage in real-world cross-functional technology problem solving from the ground up. In addition, the internship provides insight on innovative solutions to help us respond to changing markets with speed and flexibility. *This is not a filing and copying internship.*

This is for focused individuals **with previous programming skills** desiring real-world experience to expand your knowledge and develop your career in a short period of time.

---

**Candidate Requirements** (Degree, Major, Skills & Other Qualifications):

Candidates should be hard working, enthusiastic, and resourceful Seniors or Graduate students in CS, CIS, Web Tech, IT, or MIS. Candidates must have experience in any TWO of the following:

- |               |        |                   |
|---------------|--------|-------------------|
| 1) CGI Script | 3) CSS | 5) XHTML          |
| 2) MySQL      | 4) PHP | 6) Dreamweaver MX |

*Required:* Minimum of 3 days/week, very flexible hours are available. Strict Minimum 3.0 GPA. Prior website development skills of any kind are *required*. The ideal applicant should possess good written and verbal communication skills. This person should be a strong team player with a positive attitude.

To apply, please e-mail (do not fax) your cover letter and resume to [careers@retensa.com](mailto:careers@retensa.com). We look forward to hearing from you.

**Hours per Week:** Approx 18-32 flexible hours available.

*\*Due to the high volume of applicants, we regret we will only be able to contact qualified candidates.\**
